The SERVICEMAN'S CORNER:

(FROM "ARMY FUN"- MARCH -1952)

No offense meant, fellows. Any resemblance to any of you (by reason of "moss-call" no doubt) and the cartoon above, is purely imaginary, and you thought of it--not I! Got a couple letters this week--so will get right into it:

LACKLAND AFB-TEXAS
Feb. 5, 1952

Dear Mrs. Rooco:

Just thought I'd drop you a line and tell you a little about Texas and the Airforce. Well, I've been down here a week today, and we've had our shots and been issued our uniforms. Texas is the only state I know where you can get a sunburn and catch a cold at one and the same time! One wakes up in the morning, and puts on one's long underwear--and by ten a.m. you wish you had the darned things off!

I would appreciate it if you would send me those Bylines---as I sure miss all the gang in Brisbane! Hoping you can read this---I am, as ever,

DON KLINE.

(Editor's Note: For those of you who would like to drop Don a note, here's his address: PVT DONALD L KLINE--AF19437537--FLIGHT 169--SQD 3732--L.A.F.B. SAN ANTONIO TEXAS.)

SOMEWHERE IN KOREA
Feb. 6:52

Dear Pals:

Well, I finally found what I've been looking for--time to write you a letter! Sure have been busy. I just finished my monthly film reports, so I says to myself--"I think I'll write some letters." My letters are usually dull, so who should I practice on? Why, Mrs. Rooco, of course! I haven't written HER in a long time!

(continued next column)

You know, this army is sure a funny place. All last summer, we never even saw what ice-cream looked like--so yesterday (with snow on the ground)--guess what we had for desert--yep! Ice-cream! It tasted good, anyway. I guess I'm the biggest ice-cream eater that ever came out of the hills of Brisbane! I've got a lot of competition here, though.

I got a letter from Glenn Staser the other day. He made Cpl.--and had the rating almost 24 whole hours! The night after he made it, he decided to celebrate the occasion by making some beautiful music in front of the Colonel's tent to show his appreciation. He grabbed a bugle out of Company Supply and started with some good old American Jazz. The colonel came out, and didn't appreciate it--he must not have been a music lover at all! So he took Glenn's bugle, and told him to report to the Company Commander the next morning. (This was at midnight, you know)--well, now we can call him PFC again--oh well, easy come, easy go!

Shorty, my little Korean helper, is going home to his his "Moose"--(Japanese for girl or something)--he has been here for 19 months, and he is sure homesick. I see where I'M going to have to do some of the work here now, GAD!

Don Robertson should be home, or coming home, soon. The ship he was on left for the States a few days ago. All the time he was over here, I didn't get a chance to drop down to see him, and he was within 5 miles of me! Bob Tann was here also, and I just missed seeing him, too. I'm just a little late getting to a certain place when they are there. I went to the Red Cross Club about 3 days after Bob Tann was there---I saw his name in the "State" book. I tried to find him, but I never could get off in time. Why, some of the gang could live in the next Company over, and I would never get to see them!

SO--there are 65 of us in the Service now? That's quite a few for such a small town. Brisbane must look (and sound) like a Ghost Town! Well, some of those days we will all be coming home, and then the dear dull days will be gone forever! Oh, oh! Here comes my boss--he will find SOMETHING for me to do, no doubt! So for now, as ever,

JIMMY WRIGHT.

(Editor's note: Wrens, Jimmy--there are now SEVENTY of you lads in Service, according to my Byline mailing list. Of course, this includes fellows who have since been discharged.)

BRISBANE, CALIFORNIA

Dear Mrs. Rooco: I would like to correct a mistaken impression some of the boys have. Anything they received at Xmas time with the name BLAIR connected to it came from the WALTER A. BLAIR VFW POST #9769, and not from me, personally. Let's give credit where credit is due!

Respectfully yours,

(Capt.) LINWOOD D BLAIR

CALLING ALL TEEN-AGERS!!

Last Saturday evening, February
9th, was Young People's Music Night at the
Nazarene Church on Mono Street in Brisbane.

It was well attended, and many of
"the gang" came up in a "surprise" atten-
dance--much to the delight of a certain
pianist!

This Saturday night, February 16th,
is Brisbane's Talent Night for Teen-agers.
--so Welcome, One and All! If you blow
your own horn--strum a mean guitar--or
hum a homey tune--join in with the rest
of us for another evening of MUSIC!

So far, there'll be Judy Woodard
and Sharon Storch, harmonizing in song;
also Bob Brown and Wally Woodard dueting
on their silver-toned trumpets!

Remember--ALL are welcome to attend.

JEFF TAKES ONE, DROPS ONE:

Last Friday's basketball we saw
Jeff's varsity cagers take a win from
Capuchino High, 47 to 41--while the 130's
dropped theirs to Capuchino's Mustangs
35 to 23. Dolben, of the varsity team,
had 13 points--while Bob Brown of the
losers was high with 14 points.

BRISBANE TO PARTICIPATE IN ALERT:

San Mateo County's Joint cities-county
Civil Defense Planning Board has set
10:15 A.M. on February 20th (Wednesday)
as the time and date for a civil defense
test. At 10:15 a.m. on that date, the
red alert will sound. This consists of
a series of short blasts of 3 minutes
duration. This will go on until 10:30
a.m., when the white "all-clear" signal
will sound. This consists of a series
of three one-minute blasts, with silent
periods of two minutes each between each
blast. The board has asked that all
public agencies equipped with horns,
whistles, or sirens sound the two alert
signals. It is believed that all schools
will hold appropriate drills at the same
time.

There will be an important Wardens
meeting, open to the public, at the
Lorien Hall in Brisbane on the night of
Feb. 20th--at 8 p.m. This meeting will
be of interest to all residents of Bris-
bane.

Weather permitting, Boy Scouts of the
local troop #134 will distribute booklets
"Emergency Action to Save Lives" to all
homes in Brisbane early next week.

1952 HEART FUND OPENS:

Today there is "NEW HOPE FOR HEARTS"
---I say this in spite of the fact that today over half of all the deaths in California are due to diseases of the heart and blood vessels.

You have undoubtedly seen how heart disease can strike down friends, associates, and loved ones in the very prime of life and usefulness.

Heart disease can be controlled if we are willing to pay the price. Medical research scientists and public health specialists need tools to develop new methods of prevention, diagnosis and treatment of heart disease.

Major goals of Heart Research still lie ahead. To reach these goals--to open the way to decisive victories against heart disease calls for a tremendous national effort. San Mateo County has pledged her support to the national crusade. WE HAVE A BIG JOB TO DO IN SAN MATEO COUNTY!! February is national Heart Fund month. Seventy-five percent (75%) of all money contributed to our Heart Fund will stay right here in San Mateo County to help us fight heart disease. Your contribution will be used for research--post graduate education of local physicians--rehabilitation of heart patients--education of the general public--and community heart services.

We are confident that your gift will be substantial. Give all you can afford--it buys protection of your heart and the hearts of your loved ones and friends.

Research funds for heart diseases are badly needed NOW.

Most sincerely,

JULIO V. DOUGHERTY,

General Chairman, S.M.Co. Heart Fund

REGISTER NOW FOR LOCAL & NAT'L ELECTIONS:

San Mateo County citizens who expect to vote in any of this year's series of local and national elections should register at once, County Clerk John A. Bruning reminded recently.

To make the registration easier for citizens who did not vote in either the last general or primary election, or who have moved, Bruning listed deputies located conveniently throughout the county. "Tomorrow may be too late to vote in a local election, because registrations close 54 days before any given election," Bruning warned.

Bruning listed the following registration deputies in the Brisbane area: LESTER E. BYBEE, 133 Monterey Street, or #19 San Bruno Avenue---and Mrs. Helen Choslyn, at 280 Visitacion Avenue.

TODAY'S BEST LAUGH: "An Indian got rich making a dog food that tasted like a mailman's ankle!"--HERB SHRINER.

WHITMORE OUT OF CONGRESS RACE:

(S.F.Examiner, Feb. 9:52)--Sheriff Earl B. Whitmore of San Mateo County yesterday stopped out of the race for Congress in the new Ninth District. His withdrawal was made in a letter to the county-wide Republican fact-finding committee of 312 G.O.P. leaders.

The committee is seeking to narrow down a field of twelve candidates to a single man whom the party can officially endorse and unite in supporting at the June 3rd primary election.

Presumably referring to the unsolved bomb-murder of Thomas Keen, Whitmore wrote the committee that "due to the recent developments in the county, I feel it more important that I should stay with the job of sheriff than to campaign for Congress".

REPORT FROM DEMOCRATIC CENTRAL COMMITTEE

Democratic candidates seeking endorsement by the first San Mateo county primary convention over to be held here will not be required to state that they will withdraw from the primary election if they do not obtain the convention endorsement. This unusual precedent in eliminating any semblance of a "gag" rule is only one of the many innovations planned for the history making convention, believed to be the first of its kind in the state, according to Roy Seagraves, convention chairman.

The convention will be held on Sat. Feb. 23rd, in the auditorium of the San Mateo Junior College, Baldwin Avenue in San Mateo.

The county Central Committee has also voted to extend the filing date for candidates seeking convention endorsement to 5 p.m. Monday, Feb. 18th. No applications have yet been received for state senator and state assemblyman from the southern county area.

149TH TO TAKE FIELD TRAINING:

The 149th Anti-Aircraft Artillery (National Guard) Battalion, "San Mateo County's Own," will be among the Calif. and Nevada National Guard units which will take 15 days of field training this summer.

In all, some 11,000 National Guardsmen will take part in the encampment, the fifth since World War II. Major General Earle M. Jones, state adjutant general, said the training will be largely on a company and platoon level.

Dates for the 149th's encampment are June 21 to July 6th.

POST #473

HELLO-BRISBANE!!

THIS IS ME-HUNTZ

HALL-AS I KNOW ME!!

BIOGRAPHY: (from Louis S. Lifton, Monogram Pictures, 4376 Sunset Drive, Hollywood, California).

HUNTZ HALL was born in New York City on August 15th, 1920--he is now five feet eleven inches tall; has blue eyes, brown hair, and weighs 165 pounds.

Adolescence often proves to be a Waterloo for boy sopranos, for overnight they become husky-voiced, and that ends a promising career. But it proved differently in the case of Huntz Hall, whose gravel voice gets many laughs in Monogram's Bowery Boys comedy series.

Hall's father, Joseph, and mother, Mary-ellen, were non-professionals--and they christened their son Henry---"But my brother-in-law changed that; he said I looked German, and gave me the name of Huntz, and that's what everybody has called me ever since," Hall relates.

He was only four when he started his theatrical career in radio, and showed early promise as a soprano singer. He attended St. Stephens School, and then enrolled at New York's Professional Children's School. After school and on fight nights, he became a peanut vendor at Madison Square Garden. Trying to shout his wares above the roaring multitudes gave Huntz a hoarse voice, and he has shouted that way ever since.

When producer Sidney Kingsley started to cast his "Dead End" show in New York, he checked with the Professional Children's School. Huntz was immediately chosen for a role, along with Leo Gorcey and Gabriel Dell. Hall didn't miss one performance during the 85 weeks that the show played on Broadway, and then he went to Hollywood with the other Dead Enders for Samuel Goldwyn's filmization of the Broadway success.

Huntz has appeared with Leo Gorcey in many films at Warners, Universal, and now at Monogram, where he appears in support of Gorcey in the Bowery Boys comedy series.

During World War II Huntz was in the Army, and also served overseas with the Merchant Marine. Recently he was in the used car business with Gabriel Dell, but gave it up when he had to sell his own car. Anyhow, he prefers flying to automobiles. He is a rhumba addict, plays basketball, swims, and rides horseback, and likes to watch baseball and hockey. Hall has five brothers and two sisters, and is the only member of the theatrical profession in the family. He is a collector of jade, and has a sizeable collection.

DON'T FORGET---HUNTZ HALL WILL APPEAR IN PERSON AT THE BRISBANE THEATER ON FEB. 27TH AND 28TH---WEDNESDAY AND THURSDAY NIGHTS---TWO SHOWS NIGHTLY---AT 6:30 AND 9:00 P.M.
